

PROGRESS ON MOST PROJECTS IN THE DISTRICT ELATES COUNCIL CHAIR

22/09/23

Mwansabombwe Town Council Chairperson Terrioh Chungu is pleased with progress made by contractors in the district in making sure that all the assigned projects are on course and others are completed within the stipulated time frame.

The Council Chairperson said this during a spot check on most of the construction projects in the district.

The projects visited include a Maternity Annex in Kapesa Ward whose works are at slab level, Seesa Health Post and a one staff house all of which are being implemented using Constituency Development Fund -CDF.

The Council Chairperson later inspected the Mununshi Market which has been constructed using the Local Government Equalization Fund.

Other projects inspected include construction of a 1x3 Classroom block and an ablution block at Kasao Primary School, Chokwe Health Post and a bridge in Wasalangana area of Kabalenge Ward respectively.

The Council Chairperson was accompanied by Deputy Director of Works Martin Siwakwi and other Council Officers.
