

COUNCIL CHAIR CALLS FOR ENHANCED CDF SENSITIZATION

29/09/23

Mwansabombwe Town Council Chairperson Terrioh Chungu has called for enhanced Sensitization of the Constituency Development Fund -CDF.

The Council Chairperson has since urged the Councillors working together with members of the Ward Development Committees to ensure that the information is disseminated so that more members of the public benefit.

Mr.Chungu has further directed Mwansabombwe Town Council Management and Staff to expedite the completion of the Integrated Development Plan IDP as that is the document that will guide the development of the District.

The Council Chair also called for members of the public and other stakeholders to continue supporting and fully take interest in the issues of protecting the environment by being active in participating in the Keep Zambia Clean, Green and Healthy to avoid unprecedented outbreaks of disease.

Mr.Chungu was Speaking when he officially opened the 3rd Ordinary of the Council meeting on Thursday.

Among the pertinent issues discussed were:

- (1) The Successful Completion of CDF projects in the district.
- (2) Issues on Environmental Protection through the Keep Zambia Clean, Green and Health Campaign.
- (3) The making of the crossing points in the district.
