

## MWANSABOMBWE CDF PROGRESS ELATES ACTING CS

6/06/23

Acting Mwanabombwe Council Secretary, Mathews Mulenga, is elated by the standard of works and progress made by contractors working on various Constituency Development Fund (CDF) community projects and Local government Equalization Fund (LGEF) capital projects in Mwanabombwe District.

Mr. Mulenga made the remarks after he toured the various construction sites to monitor the works on the ground.

The projects visited include Mununshi Ablution Block in Munushi, Seesa Rural Health Centre and a staff house which are being constructed using the Constituency Development Fund-CDF allocation for 2022.

Other projects include the market shelter in Chipunka of Mununshi Ward and the Community Hall in Kazembe Ward being constructed using the 20% Capital Component of the Local Government Equalization Fund.

The CS who was accompanied by Deputy Director of Works Martin Siwakwi and Senior Building Inspector Natasha Mwila is optimistic that once completed, the projects will enhance service delivery to the people of Mwanabombwe District.
